2. I'd marry you, tiny fly,
Were you not so tiny;
So would I, my cricket dear,
Were you not so humpy.

4. And the butcher best man wolf
Ten oxen has slaughtered;
Also twenty crisp piglets
Roasted he has ordered.

3. Little flea is skip-hopping,
Dreams to be the usher,
The salt-grinder cousin louse
Hopes to be food-maker.

5. The frog's playing the trumpet,
Little stork's the flutist,
The stinkbug is bass player,
No mosquito's mutest.
